Dear Dance Club Parents and Students,

Welcome to Dance Club 2018-2019!! We are eagerly looking forward to a fun filled year of monthly themed dances. Students are to dress according to each theme. Below is a detailed calendar for the year. Take note that some dances are on Saturday and some are on Friday. Please encourage your child to come each month even if their partner is not able to attend. There are always plenty of students to dance with. Bringing a non-registered student to Dance Club is prohibited. Only past Cotillion Club members are allowed as guests. All students are to sign-in on the attendance sheet as they enter Dance Club. If your child needs to leave early, a parent must walk in and sign them out. Please remind your child about not chewing gum during dances and cell phone use is prohibited as well. These issues are a distraction to everyone in the class. Thank you for your assistance with this.

Sincerely,

David McLeod, Director
